

Introducing the Fast File Card: The Smartest Tax-Filing Solution for Small Businesses

Prepare, file and deliver your 1099 and W-2 forms, anytime from anywhere. When it comes to e-filing W-2 and 1099 forms, Fast File is the perfect solution for your small business. The Fast File card allows you to E-file, Print & Mail to the IRS and/or SSA, and we print and mail forms to recipients. It's the quickest, smartest way to meet your annual tax-filing responsibilities if you have 25 or less employees.

4 REASONS TO TAKE ADVANTAGE OF FAST FILE THIS TAX SEASON

- **EASY** - No paper forms, software or envelopes and stamps are necessary. Complete your forms online, and we do the rest!
- **SAFE** - Data is protected using the strongest encryption program available and mailed from a high-security, SOC-certified and HIPAA-compliant print facility.
- **FLEXIBLE** - You can import data directly from the Excel template or from QuickBooks® or Xero accounting software.
- **COST-EFFECTIVE** - Due to the simplicity of Fast File, the labor costs associated with printing, mailing and manually submitting forms are eliminated.

Complete Your E-Filing in 3 Easy Steps!

1. SIGN UP:

Go to the website Complyright.efile1.com to enter the user code and redeem your filings.

2. ENTER DATA:

Use our easy-upload wizard to import an Excel sheet or transfer data from QuickBooks or Xero.

3. CHECKOUT AND RELAX:

Completed forms will be filed directly to the IRS and SSA, and we print and mail recipient copies. Plus, payer and recipient information is saved for future filings (up to four years).
